

Ticehurst Neighbourhood News No. 28 – Feb. 2019

Ticehurst Neighbourhood Plan.

The Ticehurst Neighbourhood Plan has completed the six weeks allowed for making representations on the submission plan. Rother have listed the representations on a document posted on their website:

The Independent Examiner has been confirmed as Mr John Slater. He is very experienced, having examined over 50 neighbourhood plans. He was the examiner at Robertsbridge, so he is familiar with the Rother Local Plan and with this area. He has already received all the TNP submission documents. Once he has thoroughly studied these, he will decide on whether he needs to hold a public hearing or can complete his examination using the existing documentary evidence.
