October 2016

From Flimwell Stonegate Ticehurst Neighbourhood Plan Steering Group

## **So what's been happening with your Neighbourhood Plan?**

The team are currently beavering away writing planning policies for the Neighbourhood Plan based on the feedback we've had from all of you. We're trying to capture everything you said about what was special in our communities, as well as what you felt could be better. Of course, much discussion at our meetings has been about housing, the local economy, footpaths and road safety and protecting our beautiful countryside. We aim to try and include a broad range of policies that delivers a happy, healthy and prosperous future for our area.

These policies will be presented to you all in two upcoming consultation events.

## **How can you keep up to date?**

**Thursday 3rd and Friday 4th November and Thursday 1st and Friday 2nd December at Ticehurst Village Hall**

These two, two-day, consultation events are an opportunity to come along and see the latest on the Neighbourhood Plan and we'd really appreciate your feedback and comments on the policy proposals.
