

# STONEGATE

- Planning
- Landscape
- Architecture
- Conservation
- Engineering

## ABOUT THIS PLAN

This plan is a summary of the results of the January 2016 "PLACE" workshop. The workshop was held to provide an insight into the way the design of the built environment needs to be considered as part of the neighbourhood plan process. Working in teams of five, participants were responsible for Planning, Landscape, Architecture, Conservation or Engineering. The teams then undertook a critical analysis of Stonegate and its immediate surroundings.
